PRINCIPAL'S MESSAGE

Welcome to the 2025 – 2026 school year. Ray Watkins Elementary School is a vibrant school. Its students, parents, and staff have created a school culture that celebrates learning, the arts, and outdoor activities.

I welcome parents, caregivers, and family members to join our dedicated staff to create the best possible learning environment for all of our children.

Natasha Toth

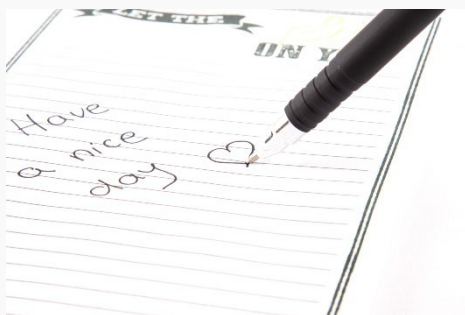

ABOUT OUR SCHOOL

Ray Watkins Elementary School is a modern new school that opened in 1996. A major renovation was completed during the spring of 2007.

Today, approximately 120 children attend RWES.

There are six classrooms, a multi-purpose room, and gymnasium with a large climbing wall, library, learning centre, computer lab, administration area, large foyer, two modern playgrounds and playing field.

RWES provides an excellent education for all students within a positive, safe, and caring environment. We are a student-centered school.

BEHAVIOUR

Our school is continually striving to provide a positive, safe learning environment. In order to provide such an environment, everyone's cooperation is needed. All students are expected to behave in a responsible manner.

During play and free time before school, at recess, noontime, and after school, students are to act in an appropriate manner.

A positive behavior intervention and support programs assists our school in maintaining a peaceful environment.

Parents are requested to read the School Code of Conduct, which is forwarded home in September.

PUNCTUALITY

All students are to be in their classrooms on time following bells in the morning and afternoon. This will allow for an uninterrupted start of classes by the teachers for all students.

ABSENCES AND HOMEWORK

Parents should contact the office if their child will be absent. Regular attendance is very important for student learning and welfare. Contacting the office allows us to record the reason for a student being absent. If a child is absent and no reason has been provided office staff will be in contact with parents or guardians.

Students who are absent for short periods of time should phone a classmate for their homework or for information on work missed in order to keep on top of their studies. If a student is to be absent for an extended period of time, notice to this effect should be forwarded to the teacher. The teacher will prepare homework assignments for the absent student, which can be taken home by a classmate, friend, or picked up by a parent/guardian.

LUNCH

All students eat lunch in the Intermediate multi-purpose room. Intermediate students, grades 4 - 7, eat lunch 12:25 to 12:45. Primary students, grades K - 3, eat lunch 12:00 to 12:20.

Lunch time procedures are to be followed by all students. Respectful lunchroom behavior is an expectation. If students are disrespectful to staff or students, other lunch arrangements may be required. Parents will be involved in those discussions. All students who stay for lunch are to act appropriately in the lunchroom and proceed to the outside play areas after eating lunch.

Students are welcome to go home for lunch.

Individual student lunches cannot be heated at the school.

Bus students are not to leave the school grounds unless parents have signed a permission form which will be kept on file or provide a note for certain occasions.

PARENT ADVISORY COUNCIL (PAC)

Our Parent Advisory Council will be meeting throughout the year to discuss school issues and provide advice on policy and procedures. The PAC supports school programs and special events. Parents are encouraged to get involved in this very worthwhile organization.

The meetings are held monthly, and open to all interested parents. We all look forward to a successful year for this important school group.

PRINCIPAL'S SCHEDULE

Parents who would like to meet with Ms Toth are encouraged to make appointments, but they are not always necessary. Please call our Administrative Assistant, Mrs Alison Pringle, to arrange an appointment 250 283 2220.

FOOTWEAR AND CLOTHING

Students are requested to have indoor footwear (preferably sneakers) for indoor use and for use in the gymnasium during physical education classes. The indoor footwear will provide added comfort (especially during the winter months) and allow our school floors and gymnasium to remain cleaner during the day.

SCHOOL SUPPLIES

A class list of supplies will be sent out with the June *Learning Outcome* listing what items will be needed for the following school year. Class list supplies will also be posted on the school website over the summer break.

NEWSLETTERS

A school newsletter is published each month. The newsletters are distributed during the first week of the month. Many items of interest are included in the newsletter. Also included is a monthly calendar that notifies parents of upcoming events in our school.

Student Code of Conduct 2025 - 2026

INTRODUCTION

A positive school climate can only be achieved through a joint effort among school staff, students, parents, and members of our communities. Positive student behaviour is a key component in achieving this desired climate. In order for students to reach their potential in school, a positive learning environment with minimal interference from fellow students is needed.

To this end staff, parents, students, and individuals from the school community have developed a School Code of Conduct. A focus of this policy is on the initial prevention (proactive approach) of behaviours, which may cause problems. Consequences for inappropriate actions are aligned as closely as possible to infractions. This policy will greatly assist in achieving a positive school climate. Also, individual classroom Student Behaviour policies and Codes of Conduct greatly assist in achieving a positive classroom and school climate.

Our Code of Conduct is posted on our website and within our school. A copy is given to each classroom, student/family, and staff member each September. This Code of Conduct applies to all students and adults who are part of the Ray Watkins Elementary School community.

The school and the Board of Education will take all reasonable steps to prevent retaliation by any person against any student who has made a complaint of a breach of the Code of Conduct.

As per the BC Human Rights Code, no one shall publish, issue or display, or cause to be published, issued, or displayed, any statement, publication, notice, sign, symbol, emblem, or other representation that indicates discrimination or an intention to discriminate against a person or a group or class of persons which will cause exposure to hatred or contempt.

No one can deny or discriminate against a person or class of persons regarding any accommodation, service, or facility customarily available to the public because of the race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation, gender identity or expression, and age of that person or class of persons.

Student Code of Conduct 2025 - 2026

TO THE STUDENTS

Students at Ray Watkins Elementary School are expected to exhibit a commitment to learning and to achieving success. Our school has guidelines for appropriate student behaviour which reflect the school's philosophy of openness and mutual respect. The guidelines show that you are expected to take personal responsibility for your behaviour. This responsibility applies not only to your academic duties, but also to your use of school facilities, equipment, textbooks, supplies and other resources. Each responsible student contributes to the well-being and success of everyone at Ray Watkins Elementary School.

TO THE PARENT

School staff and parents, along with student consultation, were involved in the development of the School Code of Conduct. We want students to be fully informed of their responsibilities at Ray Watkins Elementary School. A consistent approach to positive behaviour will be achievable when all are aware of the School Code of Conduct. Parents are responsible to become familiar with the school policy and to also help make your child/children aware of this policy.

TO THE STAFF

The School Code of Conduct will assist in providing a safe and caring learning environment in order to allow for a positive learning atmosphere. All staff need to be aware of all components of this Code of Conduct in order to ensure the consistent administration of this particular code.

Student Code of Conduct 2025 - 2026

PROACTIVE MEASURES TO ENCOURAGE POSITIVE BEHAVIOURS

Our school provides programs and activities, which will promote a positive and friendly atmosphere throughout the school year. It is also our hope that this positive atmosphere will prevail not only in school but also outside of the school within the community and at home. A sample of these programs and activities is as follows:

- ♦ Student Leadership Programs
- ♦ Recognition of students' birthdays, achievements, and positive student behaviour.
- ♦ Opportunity to participate in periodic sporting activities: soccer, skipping, basketball, swimming, skating, skiing, rock climbing, hiking, cross country, track and field, etc.
- ♦ School spirit days centered on a theme.
- ♦ Field Trips
- ♦ Special occasion parties (Halloween, Christmas, Valentine, etc.)
- ♦ Involvement of students in concerts and talent shows (Christmas, talent shows, Missoula Theatre, etc.)
- ♦ Student work displayed within the class, halls, and foyer.
- ♦ Special Events - Remembrance Day Service, Plays, guest speakers, guest entertainers, theatre groups, etc.
- ♦ The singing of "O Canada" and student led announcements
- ♦ Student involvement in various programs and activities.
- ♦ Parent involvement (Parent Advisory Council, School Improvement Planning, lunch supports, field trips, club supervisors, etc.)

Student Code of Conduct 2025 - 2026

ACADEMIC SUCCESS

Expected Behaviour

You are expected to complete assignments on time and to the best of your ability. If you put forth your best effort and take pride in your work, then you are more likely to enjoy a successful school year.

Consequences of Misbehaviour

If your assignments are unacceptable, you may be required to complete or redo them within a reasonable period of time determined by the teacher.

HONESTY

Expected Behaviour

You are expected to be honest in all your relationships with students, staff, and community. Lying, stealing, and cheating are unacceptable behaviours. You will benefit from your relations with others by being open and honest in what you say and do. Dishonesty in your words, actions or written work has a negative effect on your reputation.

Consequence of Misbehaviour

Dishonesty carries some very serious consequences. In the more serious cases of lying, cheating, or stealing, a meeting will be arranged with you, your parents and your teachers to discuss the situation and possible consequences.

Student Code of Conduct 2025 - 2026

ATTENDANCE, ABSENTEEISM & LATENESS

Expected Behaviour

You shall report to class promptly each day, ready, willing, and able to work. All absenteeism requires office notification (e.g. phone call, etc.). The Safe Arrival system will contact parents / guardians of students that have an unreported absence between 9:00-9:30 am daily. Habitual lateness and absenteeism will be reported to the office.

Punctuality is a form of courtesy towards your teacher and your classmates. Punctuality is a learned skill in making good use of your time at home and at school. If you are late, you disrupt your class when you enter. Students who miss a great deal of time are certain to encounter difficulty in keeping up their school work. In order for you to achieve your maximum potential, regular on time attendance is essential.

On some occasions, lateness and absences are unavoidable. However, if habitual lateness and absenteeism appear to be a problem, they will be investigated.

Parents will be contacted and students may be required to complete work that was missed. Work that is not completed as a result of absenteeism could result in academic consequences for the student.

Student Code of Conduct 2025 - 2026

RESPECT FOR OTHERS

Expected Behaviour

As noted in the introduction of our School Code of Conduct, in order for students to reach their potential in school, a positive learning environment without interference from fellow students is needed. Students are expected to be considerate and respectful with all who attend our school both in and outside our classrooms. Tolerance and fairness are qualities which all students should strive to achieve.

Consequences of Misbehaviour

Disrespectful or unacceptable behaviour usually will result in a warning by a teacher, teacher assistant or lunch/bus/grounds supervisor. The frequency and severity of the infraction(s) will dictate the type and appropriateness of the consequences. The staff recognizes that there is a function to all behaviour. All responses to inappropriate behaviours will be based on students' learning positive social conduct and will not be strictly punitive in nature. In the case of subsequent behaviour problems, a phone call is made to the parents/guardians concerned for information sharing, and to possibly set up a meeting to talk about the strategies and supports.

APPROPRIATE LANGUAGE

Expected Behaviour

Your language will be such that it shows respect for staff and students. Name calling, swearing, crude, rude and/or obscene language (spoken, written, implied or gestured) are unacceptable. Being able to use appropriate and tasteful language is a valuable life skill. When language is offensive to others, hurt feelings may lead to further conflict.

Consequences of Misbehaviour

The use of inappropriate or unacceptable language will result in such consequences as a warning, an apology or contact with the home. In extreme or persistent cases, the school and family will meet to come up with a plan to support the child.

Student Code of Conduct 2025 - 2026

STUDENT MOVEMENT

Expected Behaviour

In the morning, students should not arrive earlier than **8:30** am (unless prior arrangements have been made with a teacher). Students may go to the breakfast program or to the back playground. These are the only two areas where supervision is provided. Students are to enter the building in an orderly and efficient manner according to prearranged bell times. While in the building (excluding the gym), students are to walk in a respectful orderly manner at all times.

During recess, students are expected to be outside (except for extreme inclement weather). Please ensure your child is dressed appropriately for the weather. At times, by special arrangement, some students may be allowed to make use of the sensory room or Indigenous Education room.

At lunch time, all regular lunch students are to eat in lunchroom in a respectful, orderly manner and upon completion are to leave the lunchroom in close to the same condition prior to lunch - clean and tidy. Unless attending a supervised school activity, all regular lunch students shall remain on school property for the duration of the lunch period and throughout the day (of course, the exceptions to this are students who have a permission letter/phone call from their home). Any student returning to the school grounds during the lunch hour will also need to stay at school unless permission has been given from home to leave.

These guidelines are necessary for security, order, and to ensure that all students are being safely looked after during the school day.

Student Code of Conduct 2025 - 2026

DESIGNATED AREAS AND SAFETY EQUIPMENT

Expected Behaviour

Students are only to be in areas of the school building (including gymnasium, computer lab, learning centre) with permission and supervision of a school staff member. While outside, students are to use special equipment such as skate boards and roller blades in designated areas. Students must wear specified safety equipment when participating in certain activities. Proper fitting helmets are to be worn when skate boarding, biking, skating, using a scooter, etc. Bikes are to be placed in bike racks upon arrival at school for everyone's safety.

These guidelines are necessary for your own safety and security of school property.

CARE OF SCHOOL PROPERTY

Expected Behaviour

Students will respect all school property as well as the property of others. Your desk and floor area around it are to be kept neat and tidy. School furniture is to be used for the purpose intended. School texts and library books, desks, tables, or other school furniture items are not to be marked on in any way with a pencil, pen, crayon, marker, whiteout, scissors, etc. Students are expected to assist in keeping the school and school grounds litter free. You are expected to treat the school and equipment indoors and outdoors with the same care and respect as you would your own valuable personal possessions.

In taking care of school property, you display pride in yourself and your school; you also help to maintain attractive surroundings and useful facilities, which contribute to successful learning for you and your fellow students.

Consequences of Misbehaviour

If a student damages school property, they will be potentially expected to pay for repair or replacement costs. If a textbook or library book is destroyed, lost or stolen, students will be required to pay the replacement cost. Intentional damage to school property is a crime under law. This is your school, let's all work together to keep it clean and attractive.

Student Code of Conduct 2025 - 2026

PERSONAL APPEARANCE

Expected Behaviour

You are expected to dress in a clean, neat, appropriate manner. Clothing with offensive/suggestive words, slogans or pictures considered to be inappropriate, as well as; any clothing that promotes alcohol, drugs or tobacco products is inappropriate in the school. Revealing clothing is not to be worn by students. The following are considered examples of unacceptable clothing: belly shirts, tube tops, short shorts, etc. Hats and all types of headwear (including hoodies) are to be removed during the national anthem, for school assemblies and in class if that is part of the classroom rules. The general community is encouraged to support and comply with this expected behaviour. Coats and outside footwear are to be removed and neatly arranged in the classroom. Inside footwear is to be worn at school. Proper attire promotes good personal hygiene and safety.

Consequences of Misbehaviour

If you wear inappropriate clothing, you will be required to cover it with a sweatshirt, turn the clothing inside out, etc., or replace it with appropriate clothing from home.

EXTRA-CURRICULAR ACTIVITIES

Expected Behaviour

On school buses, at extra-curricular activities or on field trips, all relevant school rules apply. Students are expected to participate to the best of their ability during extra-curricular activities unless unable to for medical reasons. You should remember that during these activities you represent your school. Don't let your misbehaviour ruin the opportunity for others. Always let others know that you are proud to be a student at Ray Watkins Elementary School.

Consequences of Misbehaviour

Appropriate disciplinary action will be taken. A serious offence could result in your removal from the activity or event, and exclusion from further activities is possible.

Student Code of Conduct 2025 - 2026

TOBACCO, ALCOHOL AND DRUGS

Expected Behaviour

Tobacco, marijuana, alcohol, vaping or illegal drugs (and their paraphernalia) are not permitted on school property. While on school property all individuals are expected to be free from the influences of alcohol and illicit drugs.

Smoking or vaping is not permitted in school or on school grounds by any individuals at any time (as per School Board Policy). The use of tobacco, marijuana, alcohol, vaporizers, and illegal drugs is dangerous and illegal for minors.

Consequences of Misbehaviour

Appropriate disciplinary action will be taken as per board policy.
Parents/guardians will be notified.

ALTERNATE AFTER-SCHOOL ARRANGEMENTS

Expected Behaviour

The school must be notified in writing (or by phone), of any requested change in a student's regular after-school arrangements. Unless an emergency arises, the school should be notified before 2:45 p.m. on the day of the requested change. Students will not be allowed to make changes in transportation without permission from their parents and teacher.

Due to bus regulations, a student is only permitted to ride on their assigned bus. Parents are to inform their sons/daughters about alternate arrangements concerning where they are to go if school is cancelled during the day due to a storm or for whatever reason (school power failure, plumbing problem, etc.) Students are discouraged from using the school phone to make last minute arrangements.

Reason for Behaviour

For your own safety and protection, parents/guardians and teachers should be informed of your whereabouts.

Consequences of Misbehaviour

Permission may be denied to utilize the school phone to make after school arrangements and parents/guardians may be informed of the appropriate policy.

Student Code of Conduct 2025 - 2026

TECHNOLOGY

Expected Behaviour

Personal Digital Devices

To promote online safety and provide focused learning environments, personal digital devices such as cell phones and tablets are not allowed at school. If parents/guardians require their child to have a personal digital device for safety reasons, the device must stay in the student's school bag from the time they arrive until the end of the school day. Personal digital devices are not allowed to be used in the morning before the starting bell, at recess or during lunch time.

Teachers may allow students to use personal digital devices in their lessons to promote digital literacy or to aid with instruction. Teachers are required to supervise the use of personal digital devices during these times.

Allowances will be made, after meeting with the principal, for students that require personal digital devices for medical reasons or to accommodate learning needs.

Internet Use

Students are expected to utilize approved technology for the betterment of their education. While using school computers or laptops, students are not to access web sites, which are unacceptable within the school (sites containing pornography, obscene or profane material, and any form of non-monitored social media). Students are not to have online access without classroom adult supervision. Technology (on a website or in other ways) is also not to be used to develop materials that substantially interferes with the education process.

Consequences of Misbehaviour

For minor offences, students will be spoken to by school staff and warned with possible removal of technology privileges. For more serious offences, a meeting will take place with the student concerned, staff, administration, and parents/guardians to discuss the situation. Action taken could result in withdrawal of technology privileges, suspension from school for a short or long period of time.

Student Code of Conduct 2025 - 2026

- ♦ The incident is investigated, usually by the principal, and notes will be kept.
- ♦ Parents will be informed and included in planning a response depending on the student's behavior record, responses to the behavior may be developed with the student.
- ♦ Students may be dismissed from school until the parent or guardian, the student and the principal can meet to plan an appropriate response.
